## **JET PARTS ENGINEERING WELCOMES NEW TEAM MEMBERS**

---

Seattle, WA – Jet Parts Engineering (JPE) is excited to announce the addition of Stew Pope and Zhen Zhao Wang as Regional Sales Managers to our growing team.

Stew comes to JPE with extensive strategic experience in new product positioning, account management, and relationship building. Stew is a dynamic sales manager who leverages an in-depth understanding and knowledge of major aircraft operators, OEMs, and MROs to devise strategies that achieve substantial revenue growth. Stew will be responsible for sales activities in the Western U.S. and is based in Utah.

Zhen Zhao graduated from the Civil Aviation University of China. He began his career in aviation technical manufacturing, then moved into parts distribution before coming to JPE. Zhen Zhao has meticulous data analysis capabilities and a great knowledge of the Chinese aviation market that helps him serve his customers well. Zhen Zhao is based in Chongqing, China.

### **About Jet Parts Engineering**

As a leader in the development of FAA-PMA parts and engineered repairs, Jet Parts Engineering is devoted to providing spare part solutions to our global network of airline and MRO partners. We specialize in over 25 ATA chapters across most aircraft systems with capabilities to develop a wide range of part-types. Our ecommerce portal gives immediate access to pricing, availability, technical information, and the ease of order placement and tracking. Jet Parts Engineering's staff is comprised of some of the best and brightest in the industry – our people are the best part.
