JET PARTS ENGINEERING ANNOUNCES FAA APPROVAL OF 13 NEW PMA PARTS

Seattle, WA – Jet Parts Engineering (JPE), a leading PMA parts supplier, recently received FAA approval on 13 new PMA parts. The most recent additions to JPE’s extensive offerings include a turbine clearance valve bolt, air filter, thrust reverser seals and fitting assemblies, anti-collision light reflectors, and engine mount sleeves. The newly approved PMA parts are available directly through Jet Parts Engineering’s ecommerce website and are listed below.
